PSC Case No. 2007—00339

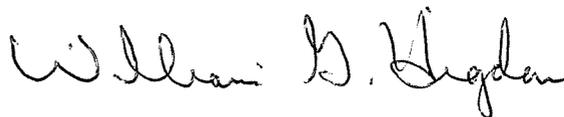

Dear Ms. O'Donnell;

Due to conflicting schedules and adverse timing, we hereby request an additional ten day extension in order to provide the supplemental information and to provide you an informed response to the deficiencies listed in your office's August 13 letter.

Our project engineer has not been able to get in touch with some of your staff to discuss specifics of various items as well. However, some PSC staff contact has been made and resulted in a very good understanding of those specific issues already discussed.

We sincerely appreciate your understanding and your courtesy in granting the additional time for proper preparation and response.

Sincerely,

William G. Higdon, District Manager
